Entrepreneurship Training for Refugee Women

My Sister Project target is that reaching 9.000 women through trainings at the end of 2018. The target women number include 500 refugees women.

*The ratios represent the curriculum distribution of the given trainings.

My Sister Project Has Achieved Its Goal

My Sister Project's volunteer trainers have provided trainings to women in 14 cities in December. (Antalya, Adana, Afyonkarahisar, Bingol, Edirne, Kayseri, Konya, Mugla, Nevsehir, Sinop, Sanliurfa ve Trabzon) Within the scope of the trainings, Social Media Literacy, Mobile Photography, Financial Literacy for Individual, Financial Literacy for Entrepreneurs, Internet Advertising, Web Design & Application Development Training, and Online Security contents were delivered. Besides local trainings, Women Workshops were held in Nevsehir, Sanliurfa and Trabzon. My Sister Project has reached target with its volunteers' and project partners' support by December.

In 2018 My Sister Project's Curriculum Has Reached

9.339  + 1.586  = 10.925 people

In scope of My Sister Project, 9.339 individual women (including 537 refugee women) have benefited from training contents. Training classes for target groups have also had applications from men participants and therefore, 1.586 men have benefited from training curriculum.

December 20-22 My Sister Summit and Coordination Meeting

My Sister Project's 1st Coordination Meeting was held on December 20-22 for the evaluation of 2018 with the participation of project partners and volunteers. On the first day of Coordination, My Sister Summit was held accompanied by inspiring speeches of project partners and entrepreneur women. On the second and third day, workshops were held with project's volunteers. Within this scope, 2018 is evaluated, new term's work have begun to be discussed, technical information was delivered and Gender Workshop was held.

WE THANK ALL OUR VOLUNTEERS WHO HAVE SUPPORTED OUR PROJECT IN 2018!
HOPE TO SEE YOU IN THE NEW TERM OF MY SISTER PROJECT IN 2019!
